COMPLAINT AGAINST: DNF Associates, LLC — 2351 North Forest Road, Getzville, NY 14068

TYPE OF COMPLAINT: Debt Collector Licensing Inquiry / Texas Finance Code Chapter 392
Violation

NARRATIVE:

I am filing this complaint to request the Office of Consumer Credit Commissioner (OCCC) verify whether DNF Associates, LLC is properly registered/bonded as a third-party debt collector under Texas Finance Code Chapter 392, and to report potential violations in its attempt to collect a disputed, fraudulently originated debt from me.

BACKGROUND:

A Fortiva Retail Credit account (ending 9302, balance \$1,693.14) was opened in my name through fraudulent misrepresentation by a Vivint sales representative. I disputed this account directly with Fortiva, who refused to close it, charged it off, and sold it to DNF Associates, LLC on or about 05/15/2026. I have sent DNF Associates a formal FDCPA debt validation demand, which includes a specific request for proof that DNF Associates is licensed/registered to collect debts in the State of Texas.

REQUEST:

1. Confirm whether DNF Associates, LLC holds a valid third-party debt collector registration/bond under Texas Finance Code Chapter 392 to operate in Texas
2. If unregistered or improperly bonded, take appropriate regulatory action
3. Note this complaint in DNF Associates' compliance file for pattern review

Account Details:

- Original creditor: Fortiva Retail Credit / The Bank of Missouri
- Account ending: 9302
- Current holder: DNF Associates, LLC
- Balance: \$1,693.14
